

BEAUTY TONE BOX

Suitable for all skin types

Kit includes:

- Portable battery-powered galvanic handset
- 15ml Active Renewal Serum
- 15g Active Renewal Crème

SAIAN® Beauty Lift hand-held microcurrent/galvanic unit is a simple and painless way to tone and sculpt your face in only 5 minutes a day! Each small but effective machine runs on 2 AAA batteries, and comes beautifully packaged with 2 items. Paraben-free, glycerin-free, propylene glycol-free, hypoallergenic and unscented anti-aging SAIAN® Saphir Serum and SAIAN® Diamant Crème based on Hyaluronic Acid and 6 active peptides. 10% Acetyl Hexapeptide-8 (Argireline) improves wrinkle depth, wrinkle volume and roughness. Matrixyl-3000 minimizes crow's feet and laugh lines, and prevents from further damage and wrinkle formation. Tests have shown wrinkles in the line prone areas will be reduced by up to 50% if used twice daily for a cycle of 28 days.

Instructions:

1. Wash your face with a SAIAN cleanser morning and evening. (Not included in the kit)
2. Apply Active Renewal Serum over the face.
3. Use the galvanic machine function BALANCE with upward movements on face. Avoid throat!
4. Apply Active Renewal Cream over the face.
5. Use the galvanic machine function LIFTING with upward movements on face. Avoid throat!
