

Active Renewal Serum

SAIAN Active Renewal Serum contains Hyaluronic Acid, mineral-rich Seaweed Extract, and six of the most potent peptides currently available to address the affects of aging on the skin. 10% Acetyl Hexapeptide-8 (Argireline) improves wrinkle depth, wrinkle volume and roughness. Matrixyl-3000 minimizes crow's feet and laugh lines, and prevents from further damage and wrinkle formation. Tests have shown wrinkles in the line prone areas will be reduced by up to 50% if used daily for a cycle of 28 days. Paraben-free, glycerin-free, propylene glycol-free, hypoallergenic and unscented anti-aging serum based on Hyaluronic Acid and 6 active peptides. Perfect for both men and women.
