

# SAIAN<sup>®</sup>

NATURAL CLINICAL

## BRIGHTENING TREATMENT

## BRIGHTENING TREATMENT

90 MIN

This unique and luxurious treatment infuses collagen, alpha arbutin, and hyaluronic acid, Melanostatine 5, Nanopeptide 1 and Tyrostat into the skin.

The results are younger and whiter skin after just one treatment with SAIAN natural dry-freeze Whitening Collagen sheet mask and whitening product.

## BENEFITS

- Enhances moisture levels
- Lightens the skin and fades dark spots
- Limits melanin production
- Blocks tyrosinase activity,
- Prevents formation of pigmentation
- Reduces redness
- Oxygenates
- Stimulates Collagen production
- Natural whitening alternative to Hydroquinone

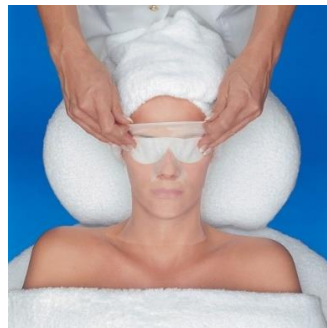

## PRODUCTS

- Replenishing Cleanser
- Kojic Acid 7,5% or 15%
- Enzyme Mask
- Active Whitening Mask
- Alpha Arbutin Spray
- Dry Collagen Whitening Sheet Mask
- Anti Hyperpigmentation Serum
- Anti Hyperpigmentation Crème
- Jelly-Globes
- Sunscreen Mist SPF29

## APPLICATION

1. Perform a face, scalp and neck massage with SAIAN **facial Massage Crème**.
2. Cleanse the décolleté neck and face with SAIAN **Replenishing Cleanser**
3. Dispense the amount of SAIAN **Kojic Acid Gel 7,5%** in your hand and massage it into the face for 1-3 minutes depending on tolerance. Keep away from eyes and mouth. Rinse with **cool** water.
4. Apply SAIAN **Enzyme Mask**. Blend a teaspoon of powder with warm water to make a soft paste and apply to the face for 8-10 minutes. Remove Enzyme Mask with warm water.
5. Apply **A Arbutin Whitening Mask** for 10-15 minutes, remove with warm water.
6. Spray face and neck with **SAIAN Pure Alpha Arbutin Spray**
7. Fold SAIAN **Whitening Collagen Sheet Mask** in half over the clients' face. Measure and cut the mask to expose nostrils. Spray the décolleté neck and face with SAIAN **Pure Alpha Arbutin Spray**. Apply the dry collagen sheet mask immediately over the face. Spray with SAIAN **Pure Alpha Arbutin Spray** over the sheet. Dip sponges in warm water, squeeze out excess water and press with moist sponges over the mask to mold the mask to the face.
8. If you have **SAIAN Skin Pro II machine**, use it on “**Nutri**” (+) mode rolling upward over the mask to increase absorption for 8 minutes. Then use **SAIAN Gem Pro machine** on “**Lifting**” (+) program for 8 minutes
9. Turn on the steamer over the mask and allow 15-20 minutes for the active soluble collagen to penetrate by osmosis. (NO OZON)

Perform a massage of the neck, shoulders, arms and hands while mask is active

## COLLAGEN REMOVAL

1. Remove the collagen sheet mask by lifting it off in one piece starting from the neck.
2. Apply 2 drops of SAIAN **Anti Hyperpigmentation Serum** to the whole face, focusing on dark spots.
3. Apply SAIAN **Anti Hyperpigmentation Crème** to the whole face, focusing on dark spots.
4. Roll over the face with previously frozen **Jelly-Globes** (towel-dry before use to remove excess moisture)
5. Spray with SAIAN **Sunscreen Mist**. Client should re-apply Mineral Mist every 2-3 hours as needed.

Repeat treatment once a week. Series of 6 to 10 treatments are recommended for best possible results! To maintain a flawless and moist complexion, use products daily:

- Replenishing Cleanser
- Pure Alpha Arbutin Spray
- Anti-Hyperpigmentation Serum/Crème
- Sunscreen
- 7.5% Kojic Acid best to use once a week.
- Whitening Mask 2-3 times a week.
